## Elementary Executive Function Survey

**Directions:** Please complete the following survey. For each statement, check the box that applies to you.

<b>Executive Function Statement:</b>	<b>I need an Adult to Lead me</b>	<b>I can do this With Adult Support</b>	<b>I can do this Independently</b>
I easily handle changing from one class, subject, or assignment to another.			
I see situations from different points of view.			
I like to imagine and design new things.			
I see how very different ideas can be connected.			
I group ideas and concepts based on their similarities and differences.			
I follow multi-step processes (e.g., after your classwork, submit your assignments online, before playing video games).			
I plan and work well within time frames.			
I consider my end goal and work toward it.			
I take into account possible future consequences when making decisions.			
I envision things that don't exist yet, with great detail.			
I think of many possible ways to solve a problem.
